Motion: Move to approve the final FY18 School budget as presented.

7. **Approval of Student Council Activity Account:**

Motion: Move to approve a new account for the Southwest Leadership Academy Student Council at Bank of America requiring two signatories from the following people: Margarita Trujillo, Dr. Gregory Fowler, Michael Hernandez, CJ Bower or Dr. Philip Geiger and to authorize any member of the Board of Directors or to designate Vicki Hire to open and activate the account on behalf of the Board for the student council.

8. **Approval of Woz U Education:** The Board heard about the programs available from Woz U Education and for FY19 our last meeting but since we lost a quorum just before approval of this item, it is on the agenda again.

We intend to move forward to provide at least two CTE programs from Woz U Education. Karen Young, CEO of Woz U Education provided a 30-minute discussion at the last SLA Board meeting to be sure that the Board is in complete agreement with this program.

Motion: Move to authorize the administration to proceed with the purchase of science and technology CTE programs (recommending coding and drones) from Woz U Education for the FY19 school year and to authorize Dr. Philip Geiger to execute an agreement between SLA and the company with funds from the FY19 school budget.

9. Status of Day Care:

This is another item that the Board did not get to act on at our last meeting.

Over the past three months, we have been reviewing all proposals and letters of interest we received regarding the development of a preschool at Southwest Leadership Academy. All of the proposals had interesting programs and were of high quality. However, we now have a recommendation and although we were impressed with all proposals, we are recommending TLC Child Enrichment to provide childcare services at Southwest Leadership Academy and Just Like Home Daycare and Preschool for a second site we are planning to open called High-Point Academy also in Phoenix.

We intend to open at least one new charter school each year so we would like to stay in touch with other providers to help us with the daycare services at our new sites

Motion for SLA Preschool: Move to approve the administration to finalize an agreement with TLC Child Enrichment Preschool and Daycare to establish a preschool at Southwest Leadership Academy to provide services for approximately 80 children with priority provided to SLA students and staff with students paying nothing for services if covered by DES and staff at a reduced fee with the total outlay of cash from SLA of approximately \$15K for the playground canopy at the rear of the school and all other out of pocket expenses being paid by TLC in accordance with the terms originally provided in the RFP and to further authorize Dr. Philip Geiger to complete the negotiations and execute the contract on behalf of the Board.

- 10. Motion for High-Point Preschool: Move to approve the administration to finalize an agreement with Just Like Home Preschool and Daycare to establish a preschool at High Point Academy (assuming we either have an approved expansion school) to provide services for approximately 80 children with priority provided to H-P students and staff with students paying nothing for services if covered by DES and staff at a reduced fee with the total outlay of cash from SLA of approximately \$15K for the playground canopy and the shared cost of ground cover at the school and all**

other out of pocket expenses being paid by JLH in accordance with the terms originally provided in the RFP and to further authorize Dr. Philip Geiger to complete the negotiations and execute the contract on behalf of the Board.

- 11. Report on AZ State Board for Charter Schools Meeting 5/14** – The State Charter Board will act on 5/14 to either approve or deny the SLA enrollment cap of 500 and the expansion request for a new SLA charter school at the former Starshine Academy.

Assuming the Board approves the requests, the following motions would be in order:

Motion: Move to authorize the administration to take all steps necessary to enroll 500 students under the SLA charter for the FY19 school year (preferably on or before 7/18)

- 12. Approval of Enrollment Cap Increase Request for FY19 to 800 students**

Assuming approval of an enrollment cap and school expansion, the two SLA charter schools (Southwest Leadership and High Point Leadership) can accommodate at least 800 students which will also enable the schools to provide more diverse career and technical education programs, more athletic opportunities, broader academic curricula, and additional staff to better serve our students. Therefore, if SLA receives approval from the Arizona State Board for Charter Schools, the administration requests the Board to authorize Dr. Geiger to submit a formal request for an enrollment cap increase to the State Charter Board for FY19 ASAP.

Motion: Move to authorize Dr. Philip Geiger to submit a formal request and application for an enrollment increase for Southwest Leadership Charter (includes both SLA and High Point Leadership) to 800 students for the FY19 school year.

- 13. Discussion of the property location for an expansion school and a possible lease agreement between Rite of Passage and Southwest Leadership Academy (Not-for-Profit Corporation)** – The Board previously approved ROP as the management firm for SLA and now ROP has made an offer to purchase the former Starshine Academy facilities which SLA included in its charter expansion application in order to operate High Point Leadership Academy. ROP legal counsel, Barbara Ross, will discuss the property and the process of creating a lease in the event that the Board's request to the

charter board is approved. If approval is granted by the Arizona State Board for Charter Schools, the Board will want to select its representatives to enter into negotiations with ROP to lease this property. Brian Heath intends to recuse himself from participating in this discussion due to a possible conflict of interest.

Possible Motion: Move to approve authorize the following individuals _____ to negotiate a potential the lease agreement provided between Rite of Passage and Southwest Leadership Academy for the former Starshine Academy School located at 3535 McDowell Road, Phoenix after which the Board will take action on the recommendation.

- 14. Approval of Special Services Contract with Futures Education** – SLA solicited proposals for special education services for the remainder of FY 18 and FY19 by posting the RFP on our website and contacting two known providers: Futures Education and Integrated Education Services. Both Futures and Integrated Education responded. (proposals attached) After review, the administration recommends that we award the agreement to Futures Education in accordance with the RFP previously issued (attached).

Motion: Move to authorize Dr. Philip Geiger to negotiate a final agreement with Futures Education to provide special services for students at all SLA schools.

- 15. Discussion Re: Enrollment, Attendance, Staffing, Extracurricular Sports, Calendar of Events, Curriculum and Instruction, Professional Development, Vocational Courses, Facility Updates and Current Status of the School – Dr. Greg Fowler (Information/Discussion, no action required)**
