

Southwest Leadership is Going Strong!

Southwest Leadership Academy has taken numerous precautions to maintain the safety of our students and staff. More students are attending school in person because they find it difficult to learn without a teacher to provide support and guidance. Although

things could change we want to serve our students the very best way we can so feel free to stop in and join in person classes, if you want. Remote instruction will continue to be provided during this pandemic as well.

SLA has been approved for on-line school-

There are plenty of on-line schools in Arizona, but at SLA you have the benefit of a teacher advisor, the equipment you need, the option to also attend evening or day sessions when you want, a guidance counselor to help you plan your journey to graduation and a diploma from a respected, accredited high school. Sign up anytime for school on-line by going to our website at southwestleadershipacademy.com or call us at 602-265-2000.

EVENING SCHOOL IS OPEN-COMPLETE YOUR HIGH SCHOOL DIPLOMA-

MATHEMATICS IS USED EVERYDAY! Think you only use math in school?

Think again. Bakers, relators, farmers, mechanics, electricians, truck drivers, doctors, nurses, and your grocer all use math everyday. Who can make certain you learn math? Mr. Connor, math teacher extradinaire, has helped hundreds of students learn this vital subject and he loves all of our SLA students. Thank him when you see him because he cares about you. You're #1 to him.

WHAT IF... COVID 19 ultimately causes the school to have to return to teaching remotely to everyone? We hope this does not happen as we have taken lots of precautions but if we are forced to have students learn remotely, we will issue Chromebooks and "hot spots" to each student upon their leaving the school and if others are absent that day, parents and/or students will be able to arrange to pick up the equipment at the school. A message will be left on your phone with details and a letter will be mailed home. Enrolled students already at home should already have the equipment and instructional schedule.

Teachers will teach as they are now if students are at home or school. In the meantime, we would encourage students who are feeling fine to come to school as this is where they will get the best instruction and support. Any questions, call Assistant Principal, Jessica Vensel, at 602-265-2000.

FROM OUR HOUSE TO YOURS, WE WISH YOU AND YOUR FAMILY THE HAPPIEST OF HOLIDAYS. STAY WELL, WEAR YOUR MASKS, WASH YOUR HANDS OFTEN AND KEEP YOUR DISTANCE.
