

RITE NOW @ ROP

Every year, the graduating class at Southwest Leadership Academy in Phoenix makes the trek to the top of South Mountain to celebrate their achievement, high school graduation. For many of these students, they are the first in their family to graduate and more and more each year are pursuing a college degree. This year more than 50 students will graduate plus the Class of 2020 will also be honored since they missed the pomp and circumstance of graduation last year due to the pandemic. At SLA, every student is given personal attention and guidance to complete their diploma and on May 26th, more than 500 people will come to the Glendale Civic Center to see their friends, family, neighbors, brothers, sisters, aunts and uncles reach the pinnacle of their high school experience.
