6. A brief overview of what was going on at SLA was shared. Student count was approximately 390 on average for enrollment. The new Vista volunteer has just started SLA. Her focus will be on increasing attendance. Meet the teacher night was attended by approximately 30 parents. We have been trying to prepare for the upcoming audit. Yesterday the sign was measured for the new sign to be installed soon. Overall the year is off to a busy start and this looks to be a good year at SLA.

Ms. Diaz shared that she and Greg had met with the director of the family involvement cent. They have offered to help our new Vista volunteer with additional training. The purpose would be to help increase family involvement which in turn could help with attendance. This may require a memorandum of understanding between the family involvement center and SLA.
