13. FY21 Budget Modifications – Typically school districts throughout the country adjust their annual budget at least twice per year to have the budget aligned with actual expenditures since circumstances change throughout the year. SLA has not done that before but we need to so at the end of the year funds have been reallocated to the programs that required adjustments and eliminated from those that did not require as much as originally expected. Although by using a zero-based budget approach to the budget that I am working on with each school administration, we will have more specificity in the budget, one can never fully anticipate how priorities may shift. As long as the administration is operating within the overall budget allocation, we do not come back to the board for individual purchase approvals, but we do need to reconcile the budget regularly. Therefore, we plan to add budget modifications to both the March 2021 and June or early July 2021 board agenda. The Board may wish to further discuss this item, if needed.

No action required.

14. Notification to Renegotiate the Management Agreement between Rite of Passage and Southwest Leadership Academy – Article II (Term) section 2.02 requires the SLA Board provide 180 days’ notice to ROP if it intends to terminate or renegotiate the current agreement. (Current agreement attached)

Motion:

15. Discussion regarding School Reopening January 4, 2021 – Dr. Fowler will present his recommendation and analysis to the Board regarding the reopening of school in January. This discussion is intended to provide guidance to the administration in order to make a decision soon.
